Dear Bob:

I am enclosing herewith our check in payment for the absolutely magnificent display you have just completed. I couldn't be more pleased with it, my sincerest congratulations on a job very very well done.

We have taken a helicopter color photo of this display this past weekend and will send you a copy as soon as we receive it. Angie Schifano was also going to get this aerial shot into a few of the outdoor magazine trade publications. Will keep you up to date.

Bob, again thanks for a fine job -- you indeed created a Bronx landmark. Will talk to you soon and with kind personal regards, I remain,

Very truly yours,
